After September 1<sup>st</sup>, a student will be charged for all tuition due plus tuition for an additional 30 school days. - Statesville Christian School desires to provide affordable and quality Christian education. The purpose of Tuition Assistance is to expand the number of families who enroll their children at SCS, who may not have the fiscal capacity to pay full tuition. Using the FACTS system for determining eligibility, a committee will make all decisions related to the awarding of tuition assistance. The request for tuition assistance is made through an application using FACTS. This is accessed through the ParentsWeb account. Tuition assistance amounts are awarded for the period of one school year based on documented financial need. FACTS will charge a \$30.00 processing fee which will need to be paid to finalize the tuition assistance application.
