In an effort to make this program more personal to SCS, last year we attached the name "Loaves and Fishes". Everyone still calls it 'Scrip'! So to make it simple, we're just going to call it Scrip! Please forgive us for any confusion!

What Is Scrip?

Scrip is a term that means "substitute money". When you purchase scrip, you're purchasing gift cards that are used just like CASH. You can use scrip to purchase everyday items like food, clothing, gas and other essentials, and with every purchase, you earn revenue for SCS.

Scrip is "shopping cart fundraising"

Scrip is a popular fundraiser because families don't have to sell anything. SCS families produce revenue by making regular household purchases they would make anyway!

How it generates revenue for you

The Great Lakes Scrip Center (GLSC) acts on behalf of SCS to purchase large amounts of scrip gift/cash cards from grocery stores, restaurants, department stores, and other retailers. Because scrip cards are purchased with cash up front, the participating retailers offer a substantial discount. SCS buys the cards from GLSC at a discount, and re-sells them to families like yours at full face value. The discount... anywhere from 2 – 20% ...is **SCS PROFIT!**

Make plans to participate now!

We all grocery shop, dine out, pump gas, and some of you have even started your Christmas shopping!

- Elementary: Order forms are sent home each week with the youngest child in each family.
