On-Campus Driving Privilege

Students with a valid North Carolina driver’s license are allowed to drive to and from school with the permission of their parents and a member of the secondary administrative team. Under no circumstances is a student to leave campus during school hours **without written permission** from his/her parent AND permission from a secondary administrative team member.

All students with driving privileges are to park in the area designated. Failure to obey the posted speed limit (8 MPH), parking in other than the designated area, leaving campus without permission, or driving in a manner that might endanger others will result in the loss of driving privileges for up to four weeks. Multiple or serious violations of this policy may result in the loss of driving privileges for the remainder of the year.

I agree to abide by all driving policies and procedures.
