Statesville Christian School

ACADEMIC EXCELLENCE
BIBLICAL WORLDVIEW

The Mission of Statesville Christian School is to train students in partnership with families to think, live, love, and lead as Christians through programs of Academic Excellence based upon a Biblical Worldview.

Statesville Christian School, which opened in the fall of 1995 with 61 students, provides a Christ-centered, Biblically based education for four-year-old through twelfth grade students. For over 14 years SCS, through its dedicated faculty and administrators, has shaped the lives of hundreds of young people. SCS operates as an independent, inter-denominational school that prepares students to effectively serve Christ in a contemporary society. The school offers a comprehensive college preparatory curriculum including honors and Advanced Placement courses at the high school level. Also offered are annual service projects for each grade, fine arts, drama, computer labs, Winterim, internships, a middle school society program, and a full athletic program supporting twenty-three varsity, junior varsity and middle-school teams, as well as many athletic teams for the elementary school.

Academic Excellence - Biblical Worldview

High School

Intellectual challenge is the basis for the college preparatory high school curriculum. Ninth through twelfth grade students meet graduation requirements in Bible, English, mathematics, history, science, and a foreign language. Advanced Placement courses and a range of academic electives are available to prepare students for the rigors of college.

During the first two weeks of January, the high school students are involved in "Winterim" which provides an educational experience outside the traditional two-semester track. In-depth study as well as exposure to new areas of inquiry is possible through specialized academic and practical courses, work internships and mission trips.

Faculty:

- Qualified, caring, and experienced faculty
- Low student to teacher ratio

Athletics:

- Twenty-three sports teams in middle and high school
- Girls' Tennis NCISAA State Champions, 2004-2009
- Boys' Tennis NCISAA State Champions, 2004-2006 and 2008
- Girls' Volleyball NACA National and NCISAA State Champions, 2007 and 2008

Unique Programs:

- Winterim
- Chorus and Praise/Worship Team
- School Musical
- Middle School Societies
- Bus service from Mooresville area

Elementary School

In Jr. K through fifth grade, students receive a strong academic foundation in a challenging and supportive environment. Students acquire skills in Bible, language arts, math, social studies, and science. Fine arts, physical education, library, and technology enrich the total elementary school experience.

Middle School

The middle school is a developmentally responsive program that educates young adolescents through a Christian perspective. Program offerings include Bible, language arts, mathematics, social studies, science, computers, physical education, and the fine arts. Unique to SCS is the Society Program that aids in the social and spiritual development of the students.
