Payments may be made annually, bi-annually, or drafted in 12 monthly payments (June-May) using the FACTS Tuition Management System. For annual or bi-annual payment plans, FACTS will charge an annual fee of \$20 or for monthly payment plans an annual fee of \$50.00. Annual payment made in full by June 1st qualifies families to receive a 2 % tuition discount. Bi-annual payments are due on June 10th and January 10th. Twelve (12) monthly bank draft payments begin in June and will be processed on the 10th of each month.

Re-enrollment is **NOT** offered to students whose financial obligations for the current school year are past due.

V. Financial Assistance

Statesville Christian School desires to provide affordable and quality Christian education. The purpose of Tuition Assistance is to expand the number of families who enroll their children at SCS, who may not have the fiscal capacity to pay full tuition. Using the FACTS system for determining eligibility, a committee will make all decisions related to the awarding of tuition assistance. The request for tuition assistance is made through an application using FACTS. This is accessed through the ParentsWeb account. Tuition assistance amounts are awarded for the period of one school year based on documented financial need. FACTS will charge a \$35.00 processing fee which will need to be paid to finalize the tuition assistance application.
