

Vacancy Announcement: High School Biology and Earth Science Teacher

About the School: We will begin our 30th year of serving area families with the start of school in August 2024. We have a comprehensive K-12 program of study that includes strong academics, spiritual formation, athletics, and extracurricular activities. We are fully accredited by the Association of Christian School International, Cognia, SACS, and the NC Dept. of Non-Public Instruction.

Position Description: We seek to hire an outstanding High School Biology and Earth Science teacher for our 9th-12th grade students. The ideal candidate will be certified to teach high school and have successful experience in the content area. The candidate must align with our Christian core values, Statement of Faith, and fully support Christian education. The position is a full-time 10-month position.

Application Details: Candidates should complete the SCS employment application and submit a letter of interest and resume.

Inquiries and Submission: Contact Jennifer McDonald, Assistant to the Head of School, at jmcdonald@statesvillechristian.org.

Applications will be received until the position is filled. The start date will be August 5, 2024.
